American “Brownfields” Programs and Voluntary Remediation of Contaminated Land in New South Wales, Environmental and Planning Law Journal, University of Sydney, Australia (1999).

International Environmental Law and the Allen Chair Visiting Scholars Series, Education & Practice section newsletter, Virginia State Bar, Winter 1998.

International Environmental Law: From Stockholm to Richmond, Richmond Law magazine, Spring 1998.

Alternative Dispute Resolution In American Environmental Conflicts: A Framework For Analysis And Application To Environmental Protection In Israel, in VI(A) Proceedings of the Sixth International Conference, at 321 (Israel Society for Ecology & Environmental Quality Sciences, 1996).

Symposia, Presentations and Media Appearances

“Virtual Power Plants” and the Smart Grid, University of San Diego School of Law, Fourth Annual San Diego Climate & Energy Law Symposium, San Diego, CA, November 2012 (*invited speaker at annual symposium*).

The Law of Sustainability, Dominion Virginia Power Sustainability Committee, Richmond, VA, October 2012.

Smart Regulation and Federalism For the Smart Grid, Harvard Law School and Kennedy School of Government, Cambridge, MA, March 2012 (*presentation of work in progress*).

Distributed Energy Resources and the Smart Grid, Environmental & Energy Law & Policy Journal, University of Houston Law Center, Houston, TX, March 2012 (*invited speaker at annual symposium*).

Faith and the Law, University of Richmond School of Law, March 2012 (*panelist*).

The Future of Energy Law: Residential Renewable Energy: By Whom?, Vanderbilt Law Review and Climate Change Research Network, Nashville, TN, February 2012 (*keynote presentation at symposium organized to feature the article “Residential Renewable Energy: By Whom?,” honored as one of four top environmental law and policy articles of 2011*).

Smart Regulation and Federalism For the Smart Grid, Johns Hopkins University, Energy and Climate Program, Washington, DC, January 2012 (*presentation of work in progress*).

CERCLA and the Future of Liability-Based Environmental Regulation, Southwestern Law School, Los Angeles, CA, November 2011 (*invited panelist*).

Harvard China Energy & Environment Conference, Cambridge, MA, April 2011
(*invited speaker and panel moderator*).

Perspectives on Energy Law and Climate Change in China, MIT Energy Club,
Cambridge, MA, April 2011.

Prospects For Offshore Wind In The Aftermath of the *Deepwater Horizon* Disaster,
William and Mary Environmental Law and Policy Review, Williamsburg, VA,
January 2011 (*invited speaker at annual symposium*).

Residential Renewable Energy: By Whom?, University of Utah, S.J. Quinney
College of Law, January 2011 (*invited speaker at The Future of Energy Law
symposium*).

Panelist, Environmental Awareness Group and First Year Seminar on Green
Schools expert panel on renewable energy, University of Richmond, Richmond,
VA, December 2010.

Chesapeake Bay TMDL Fall 2010 Public Meeting, Jepson Alumni Center, University
of Richmond, October 2010 (*presented public comment on EPA's draft TMDL,
written and edited with students in the Environmental Law and Policy course; led
student presentations of oral comments at the meeting*).

Renewables and Climate Change, Intrinergy Anniversary Event, Richmond, VA,
September 2010.

The Challenges of Teaching Law in China, Academy of Legal Studies in Business,
Richmond, VA, August 2010 (*invited keynote speaker at academic conference*).

View on the Gulf of Mexico Oil Spill, 12 News First At 4, WWBT-12, Richmond, VA,
April 2010.

Law and the Environment, University of Richmond Chemistry Department, Spring
Seminar Speakers' Series, April 2010.

Teaching in China, University of Richmond School of Law, Internal Speakers Series
Spring 2010, April 2010.

The Future of Energy Regulation, Vision 2020: A View of Our Energy Future,
University of Richmond School of Law, April 2010.

The Case For Solar Utilities, Washington and Lee University School of Law, March 2010 (*invited participant in annual Journal of Energy, Climate, and Environment (JECE) and Environmental Law Society symposium on Intersection of Renewable Energy Development and Geoengineering*).

University of Richmond News (with Joan Tupponce), [Teaching in China: Law professor teaches environmental law in Beijing](#), February 2010 (article about Fulbright Scholar experience reprinted from October 2009 issue of Richmond Now).

China's Renewable Energy Law: The "Green" To China's "Black," William and Mary Environmental Law and Policy Review, January 2010 (*invited participant in annual symposium on renewable portfolio standards*).

Copenhagen Climate Change Simulation, November 2009 (*multinational negotiation exercise conducted via videoconferencing with universities in Hong Kong and mainland China*).

The Challenge of Global Warming and the Copenhagen Negotiations, October 2009, via videoconference to Hong Kong Baptist University, Hong Kong (*introductory lecture in multinational climate change negotiation exercise*).

Experience As A Fulbright Scholar in China, Presentation to University of Richmond Board of Trustees, Richmond, VA, September 2009.

U.S. Climate Change Policy in the Obama Administration, Peking University, Beijing, China, June 2009.

U.S. Energy and Environmental Policy in the Obama Administration, Southwest University of China, Chongqing, China, June 2009.

Addressing Global Warming at the Domestic and International Levels, Southwest University of China, Chongqing, China, June 2009.

U.S. Climate Change Legislation and Administrative Proposals: Implications For International Agreement on Global Warming, Hongik University, Seoul, South Korea, June 2009.

Environmental Issues in Real Estate Transactions: Brownfields, Ocean University of China, Qingdao, China, May 2009.

U.S. Energy and Environmental Policy in the Obama Administration, Ocean University of China, Qingdao, China, May 2009.

Energy, Environment, and the Election, Temple Beth El, Richmond, VA, September 2008.

National Regulatory Conference, Williamsburg, VA, May 2007 (*invited panel moderator on Virginia's electricity "re-regulation" law*).

Panelist, Seven Hills School for Boys, Richmond, VA, May 2007, Eighth Grade Symposium on Climate Change and the Kyoto Protocol.

Mission Impossible?, The Compatibility of Military and Environmental Goals, William and Mary Environmental Law and Policy Review, February 2007 (*invited participant in annual symposium*).

Preserving the Chesapeake: Law, Ecology, and the Bay, University of Richmond School of Law, October 2006 (*panel moderator*).

Jepson Leadership Forum, University of Richmond, October 2006 (*panelist for discussion of the global warming movie "An Inconvenient Truth"*).

Incentives for Renewables in the Energy Policy Act of 2005: Some Optimism, Caution and Historical Perspective, *presented at Making Renewable Energy Mainstream*, American Council for an Energy-Efficient Economy, Richmond, VA, March 2006.

The End of Oil: How Will the U.S. Power the Future?, University of Richmond VOICES public panel discussion, October 2005.

Recent Supreme Court Cases, 5400 Men's Club, Weinstein JCC, Richmond, VA, April 2005.

Environmental Regulation, Energy, and Market Entry, Duke Environmental Law and Policy Forum, Duke Law School, Durham, NC, November 2004.

13th World Clean Air and Environmental Protection Congress, London, England, August 2004.

The Blackout of 2003: What's Next?: Transmission Investment, Restructuring, and the Future of the Electric Utility Industry, University of Richmond School of Law, Richmond, VA, April 2004 (*symposium organizer, leader, and panelist*).

Terror in the Air: Environmental Fallout from 9/11, Fordham Environmental Law Journal, Fordham Law School, New York, NY, March 2003.

Richmond Bar Association, Environmental Law, November 2000 (moderator and speaker).

Seventh International Conference on Ecology and Environmental Quality Sciences, Jerusalem, Israel, June 1999.

National Town Meeting on Sustainable Development, Detroit, MI, May 1999.

Program for the Enhancement of Teaching Effectiveness, University of Richmond, Richmond, VA, April 1998 (faculty leader for training seminar on "Atmospherics in the Classroom").

Making Peace With The Earth: Our Responsibility and Response, Ginter Park Presbyterian Church, Richmond, VA, April 1998.

Sixth International Conference on Ecology and Environmental Quality Sciences, Jerusalem, Israel, June 1996.

State of the Chesapeake Bay Symposium, University of Richmond Law Review, Richmond, VA, April 1995 (panel moderator and speaker; introductory remarks published in the Law Review).

Other Activities

Recipient of Fulbright Scholar Program grant for law teaching in China, 2008-09 academic year (taught spring semester 2009 at China University of Political Science and Law, Beijing).

Discipline Peer Reviewer (Law) for the Fulbright Scholar Program, responsible for comprehensive review and recommendation decisions on over 30 applications

annually for participation in the Program (three-year appointment by the Council for International Education of Scholars, commencing in fall 2010).

External peer reviewer for promotion and tenure applications for environmental, energy, and property law professors. Most recent: Professor Lincoln Davies, University of Utah, fall 2011.

Consultant/peer reviewer for numerous environmental, energy, and property law coursebooks, and for scholarly research projects at other universities. Most recent: contract with Cambridge University Press to review energy law book proposal (2012); contract with Routledge to review book proposal on China and the Clean Development Mechanism (2011).

Faculty advisor (through Independent Research and courses) for numerous published student articles.

Recipient of University of Richmond School of Law summer research grants in numerous years between 1995 through 2011.

Advisor to Dr. Porcher Taylor's First Year Seminar course in "Climate Change as a Business Challenge and National Security Threat" (provided my articles as course materials and advised on syllabus) (2010).

Guest lecturer and teacher in law school's Military Law course, and undergraduate Urban Environment course (*developed simulation exercise for joint participation by law and undergraduate students*).

EDUCATION

J.D., Stanford Law School (1985)

Environmental Law Society, 1984 Writing Competition, 2nd place, for paper on *Cogeneration and Small Power Production*.

B.S., Massachusetts Institute of Technology (1981)

Civil Engineering, Concentration in Urban Transportation Planning and Policy

PROFESSIONAL EXPERIENCE

University of Richmond School of Law, Richmond, VA

Professor of Law, 2000-present

Associate Professor of Law, 1997-2000

Assistant Professor of Law, 1994-97

Visiting Assistant Professor of Law, 1993-94

Director, Robert R. Merhige, Jr., Center of Environmental Law, 1994-2005

University of the District of Columbia School of Law
Adjunct Professor, 1992

George Washington University National Law Center
Lecturer, 1989

U.S. House of Representatives
Counsel, 1987-93

McCutchen, Doyle, Brown & Enersen, San Francisco, CA
Associate Attorney, 1985-87

LAW SCHOOL & UNIVERSITY SERVICE ACTIVITIES

Law School

Faculty Leader, George E. Allen Chair in Law Visiting Scholars Series (1998)
(*theme: "Resolving International Environmental Disputes in the 1990s and Beyond"*).

Chair, Search Committee for Director of the Law Library (1996).

Chair and Member, Distinguished Educator Committee (2010-12).

Member and Co-Chair, Committee on Student and Alumni Affairs (2002-2006;
2010-2011).

Member, Promotion and Tenure Committee (2001-2004; 2006-2010; chair of
reappointment subcommittee for Professor Noah Sachs, 2011; chair of promotion
and tenure committee for Professor Sachs, 2011-2012).

Member, Tenure Subcommittee, Promotion and Tenure Committee (review of new
hire, 2010; scholarship reviewer for two new hires, 2011).

Member, Admissions and Financial Aid Committee (1995-present); Committee
Chair (2009-10).

Member, Library and Technology Committee (1995-2001).

Member, Ad Hoc Committee on Loan Repayment (2004).

Member, Ad Hoc Committee on Academic Success (2000; committee created
position requirements for and hired to fill new position of Assistant Professor for
Academic Success and Director, Academic Skills Program).

Member, Faculty Colloquy Committee (1993-1995).

Faculty Secretary (1994-1995).

Faculty Representative, American Association of Law Schools House of
Representatives (1994-95).

Faculty Advisor, Robert R. Merhige, Jr. National Environmental Negotiation
Competition (1994-2005).

Judge, Barnett Moot Court Competition (1994).

University of Richmond

Affiliate Faculty, Modern Literatures and Cultures Department (2010-present).
Member, Steering Committee, Chinese Studies major (2010-present).
Member, Promotion and Tenure Committee, Jepson School of Leadership Studies (fall 2010; participated in tenure review of Professor Thad Williamson).
Member, University Committee on Grievances (2010-present). Drafted report on a Grievance Committee matter (2012). Redrafting the grievance section of the Faculty Handbook (with Professor Jim Gibson) (summer 2012).
Member, Committee to Draft Campus Climate Action Plan (2009-present).
Member, Advisory Board, Center for Teaching, Learning, and Technology (2009-present).
Member, Fulbright Scholarship Evaluation Committee (2008-present).
Member, Committee on Honorary Degrees (2002-present).
Member, University Faculty Council (2001-2005).
Contributor to the University of Richmond's Environmental Studies program (*teach course in Environmental Law and Policy and consult on curricular matters*).

Activities as Director of the Merhige Center (1994-2005; highlights)

Directed the *Robert R. Merhige, Jr. National Environmental Negotiation Competition* (annual competition for students from law schools throughout the nation) each year from 1994-2005. Duties included writing and editing of simulation exercises, supervision of student organization's activities in planning the competition, recruitment of judges, supervision of competition activities and occasional service as a judge.

Directed the *Merhige Summer Stipend Program* (program awarding stipends for summer placements in federal agencies and public interest organizations). Taught a course in Washington, D.C., to externs focusing on practical applications of environmental law and policy in the federal government.

Directed the *Merhige Fellows* program (research and teaching assistant program for the first-year Environmental Law course).

Organized a University of Richmond symposium on energy law (*The Blackout of 2003: What's Next?: Transmission Investment, Restructuring, and the Future of the Electric Utility Industry*, held in 2004) which featured CEOs of three regional transmission organizations and numerous other presenters, and attracted hundreds of attendees.

Merhige Center Activities (2005-present)

Judge, 2011 Robert R. Merhige Environmental Negotiation Competition.

Public Comment on Virginia's Watershed Implementation Plan, Chesapeake Bay TMDL, on behalf of the Merhige Center and University of Richmond students (November 2010).

Chesapeake Bay TMDL Fall 2010 Public Meeting, Jepson Alumni Center, University of Richmond (October 2010) (*led students in the law school's Environmental Law course and the undergraduate Environmental Law and Policy course in presenting comments on the EPA's draft TMDL; video available at <http://www.youtube.com/watch?v=mzudmxyfdws>*).

Panelist in conference on Vision 2020: A View of Our Energy Future (April 2010).

Served as "moot" judge for negotiators taking part in the Robert R. Merhige, Jr. National Environmental Negotiation Competition (2005-2010), including winning Richmond participants in spring 2010.

Organized visit of Rhodes Scholar Scott Moore to the University of Richmond for his presentation on *Environmental Law, Policy, and Governance in China* (September 2009).

Final Round Judge, Robert R. Merhige, Jr. National Environmental Negotiation Competition (2007).

Trainer for law school's "Street Law" program on basics of environmental law (2009-present).

Memberships/Miscellaneous

Member, Board of Directors, Richmond Region Energy Alliance (2010-present)

Member, ABA Section on Natural Resources and Environmental Law

Member, Advisory Committee, Virginia Housing for the Environment (1998-2008)

Member, Advisory Board, Legal Information Network for Cancer (1998-2002)

Member, Board of Trustees, Richmond Shakespeare

Volunteer, Richmond SPCA

BAR ADMISSIONS
